

Prayer of Dedication Instructions

- You need to write your own prayer
- You do not need to memorize it
- The prayer should be 4-5 sentences long
- Use your own words to get across two main ideas – thanking God for providing for our needs and asking God to receive and bless our tithes and offering
- Be sure to begin your prayer with “Let us pray” and end with “In Jesus name, we pray. Amen.”
- You can sit anywhere in the sanctuary until we begin to sing the Doxology. As soon as the congregation stands to sing the Doxology, walk to the front of the sanctuary and go up into the lectern (on the left side as you look to the chancel from the congregation). Do not wait for the congregation to finish singing to go into the lectern.
- As soon as we finish singing the Doxology, begin your prayer.
- At the conclusion of your prayer, you can go back to your seat.
- Please remember to dress appropriately!

Thank you for participating in worship!
